ABOUT ME

Hi, my name is Arianna, and I am currently a student at Northwest Mississippi Community College as well as a student of Base Camp Coding Academy. I am passionate about software development and am actively seeking opportunities to grow my skills and contribute to innovative projects. With a strong foundation in coding and a commitment to continuous learning, I am eager to bring my problem-solving mindset and technical expertise to a dynamic team. I am particularly interested in roles that allow me to work on impactful solutions while deepening my experience in areas such as application development, web design, and software engineering.
